THE GIVING TREE

2023

“For unto us a child is born, unto us a son is given...”  
Isaiah 9:6

# *The* Giving Tree

One of the highlights of our church during the Christmas season is the opportunity to participate in giving through **The Giving Tree**. Seven years ago, our Missions Office bought a 16' Christmas tree and decorated it in honor of our missionaries and church planters serving around the world. The concept was simple, members were asked to consider contributing toward some of the needs of our partners found printed in our booklet and in return, take one of our ornaments home to put on their tree to remind them of our people during the Christmas season. As a church you rose to the occasion and donated over \$50,000 to meet many of those needs. In fact, year after year you have chosen to support this effort and have given generously and sacrificially to make sure our people have the items they need to be more efficient and effective in their ministry endeavors. Last year, you gave over \$120,000 which provided, among other things, Christmas parties for children and widows in Peru, furniture for training centers in India, motor bikes for church planters in the Philippines, blankets and supplies for children in Ukraine, and hundreds of other items. Thank you, Morrison Heights, for contributing over \$700,000 to **The Giving Tree** during these seven years!

We invite you to look through this year's booklet and once again consider how you may impact someone's ministry through your giving this Christmas. As you do, we ask that you take one of our hand-crafted Christmas star ornaments, made by a Mississippi craftsman. As you hang your 2023 Giving Tree ornament on your tree, we hope that it will be a reminder of your support of missions this year.

On behalf of our partners, thank you for your ongoing support of **The Giving Tree** and Merry Christmas!
