

# Grace Biblical Counseling

A ministry of Morrison Heights

---

## Counseling Agreement

I understand that the counseling I receive at Grace Biblical Counseling Ministries will be based on the Counselors understanding of the Bible. I agree to always be completely honest with the Counselor, to make every effort to keep the appointments that are set, and to cancel any appointments that I cannot keep by notifying the counseling ministry at least 48-hours in advance, if possible.

I further understand that the ministry sessions are structured to last between fifty-minutes and one-hour. I will honor the Counselor's time by adhering to that time constraint unless, by joint-agreement, we decide to extend the session longer. Session lengths can be shortened at any time during the session by the Counselor or the Counselee.

Finally, I understand that these sessions are extended as a ministry of Morrison Heights Baptist Church, and are offered as a part of the church's overall ministry to its members and the community. Morrison Heights Baptist Church makes no claims of being a state licensed counseling organization.
